## HPV PREVENTION WEEK

### AGENDA OVERVIEW

#### Hosted by:

**American Medical Women's Association  
(AMWA) & Global Initiative Against HPV  
and Cervical Cancer (GIAHC)**

Building upon the foundation of the past five years, the 2024 Us vs. HPV Global Webinar series will review expert global updates about cervical cancer and other HPV-related head, neck, and anal cancers, as well as address disparities through innovations in prevention and treatment. The webinars and panel discussions are open to clinicians, patients, and the general public. Together, we can make cervical cancer the first cancer to be eliminated!
