

## Showcasing the Power of Youth-Driven Health Advocacy: Presented by the Young Leaders of the Global Initiative Against HPV and Cervical Cancer (GIAHC)

*April 15-17th, 2025, Indianapolis, Indiana*

**We can end HPV- cancers  
together!**

**Solutions exist to end one form of cancer now –  
Together, we can eliminate cervical cancer for  
future generations.**

**6 types of cancers are caused by a virus called the  
humanpapilloma virus or HPV. We have existing  
tools that are safe, simple, and cost effective that  
work to prevent most of HPV-cancers and diseases.**

**Help our generation make this a reality!**

**1**

### **EDUCATE**

Raise awareness  
about HPV among  
our peers

**2**

### **EMPOWER**

Our family and  
friends with tools  
to prevent  
HPV-cancers

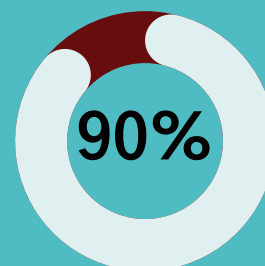

**3**

### **ELIMINATE**

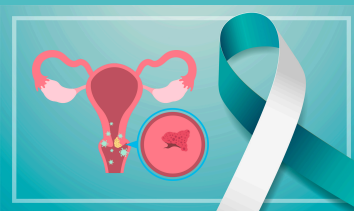

Bring equal access  
to all to end cervical  
cancer

HPV affects all  
genders and ages

HPV vaccine can  
prevent over 90% of  
HPV-cancers

Vaccine, screening,  
and early treatment  
can eliminate  
cervical cancer

# Our Vision

## Ending HPV Cancers, Starting with Cervical Cancer!

### GIAHC Young Leaders (GYL)

The GYL program provides a global platform for students and researchers 40 yrs and younger to network and exchange knowledge regarding HPV cancers and diseases. Join us for free and also gain access to several of our partner programs.

### READY TO MAKE A GLOBAL IMPACT? WE NEED YOU TO BE PART OF THE MOVEMENT! HERE'S HOW YOU CAN HELP:

- **Spread Awareness:** Join the Social Media Committee to share facts, bust myths, and promote HPV vaccination through creative, peer-driven campaigns.
- **Educate and Advocate:** Join the Public Health & Advocacy Committee to educate communities, develop action plans, and mobilize youth to advocate for HPV vaccination locally and statewide.
- **Deliver Impactful Presentations:** Work with the Outreach Committee to create educational materials and share them with communities, making sure the message is clear for all audiences.
- **Fundraise for Change:** Join the Fundraising Committee to support global and local HPV prevention initiatives through impactful, youth-led campaigns.
- **Use Creativity to Engage:** Team up with the Arts Committee to create compelling, artistic campaigns that reach and engage communities in a unique way.
