

Building Community Around HPV Prevention and Related Disease Management

**8th Annual Us vs. HPV Week
January 26-30, 2026**

Register bit.ly/hpv2026

Hosted by the American Medical Women's Association (AMWA) & the Global Initiative Against HPV & Cervical Cancer (GIAHC).

Building on the foundation from the past seven years, the 2026 Us vs HPV week will discuss the importance of engaging all stakeholders in addressing challenges related to HPV & HPV cancers with the goal of empowering all communities in this global effort.
